

For Side- and End-Feed Terminals

Features

- AMP-3K/40 Terminator provides 13 kN (3,000 lb) crimp force and is capable of crimping approx. 2.5 mm² (14 AWG) wire size
- AMP-5K/40 Terminator provides 22 kN (5,000 lb) crimp force and is capable of crimping approx. 6.0 mm² (10 AWG) wire size
- Small-footprint design
- Tool-less removal of applicators and guards for quick and simple maintenance and product change over
- Tool-less precision crimp height adjust
- Quiet and fast operation
- Jog capability
- Accepts all Mini style applicators
- Wide range of optional equipment
- Produced under an ISO 9001 Certified Quality System

**Compatible
Tyco Electronics Terminals**

Side- and End-Feed
Terminals

Technical Data

Power supply
100-240 VAC, 50/60 Hz

Sound pressure level
76 db(A)

Cycle time
Less than 0.4000 seconds

Drive
DC motor with gearbox drive

Press stroke
40 mm

Based on the field proven Model "G" Terminator, the AMP-3K/40 and AMP-5K/40 Terminators are the latest in the series of machines for wire termination using reeled terminals.

As value oriented Terminators, the AMP-3K/40 and AMP-5K/40 are designed for customers that require the increased output and quality of a semiautomatic machine at a competitive price.

A wide range of optional equipment is available to meet your specific application requirements.

By offering optional features such as

- CQM capability
- Stripper attachment
- Pneumatic feed
- Oiler kit
- 30 mm press stroke
- Bad-contact cutter

The AMP-3K/40 and AMP-5K/40 Terminators can be tailored to the specific application requirements without inflating the price for unwanted features.

Note:
The enhanced ELT is renamed to AMP-3K/40 Terminator.

The new AMP-5K/40 Terminator replaces the AMP-O-ELECTRIC Model "G" Terminator.

AMP-3K/40 Terminator
Standard version, includes jog mode, manual shut height adjustment, work light and cycle counter
PN 0-1725950-6

AMP-3K/40 Terminator
Standard version with stripper attachment
PN 0-1725910-2

AMP-5K/40 Terminator
Standard version, includes jog mode, manual shut height adjustment, work light and cycle counter
PN 1725900-6

AMP-5K/40 Terminator
Standard version with stripper attachment
PN 0-1725910-6

More versions are available upon request.
