Electrical supply
210/230 V or 100/120 V

Weight
13 kg

Power consumption
max. 0.7 kVA

Machine cycle time
0.9 s

Dimensions [mm]
390 x 260 x 200

The electric bench top terminator crimps connections to the well proven parallel crimp technology.

The terminator will come equipped with the adapter and the appropriate vario tool head.

These tool heads are quickly interchangeable.

They are compatible also to the SOLARLOK hand tool CSV.

A variety of heads for the SOLARLOK contacts are available.
