

# Applicators, Terminators, Hand Tools, and Electronic Components

## Service Request Form

### Instructions:

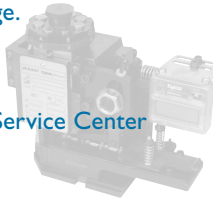

1. Make a copy of this form and fill in all fields completely. Enclose the filled out copy in your package. Failure to do so may result in unnecessary delays.
2. A purchase order is required (or, in the case of hand tools, your approval of our quote) for all non-warranty repairs.
3. Proper packaging is important. We are not responsible for damage incurred during shipment.

### APPLICATORS AND TERMINATORS

A Purchase Order for a minimum of \$500 is required. We will contact you if the estimated cost exceeds this amount. If the charge is less than \$500, you will be billed for only the actual charge.

**Ship to:**

Tyco Electronics  
 Applicator/Terminator Service Center  
 627 N. Grant Street  
 Waynesboro, PA 17268
